HENDRICK SCHOLARSHIP FOUNDATION

The Hendrick Scholarship Foundation (formerly known as Hendrick Academy) provides multi-year scholarships for disadvantaged students who overcame significant adversity. Students also receive ongoing support through mentoring, educational planning, and assistance with locating resources to meet basic living needs.

*Dr. H. Wayne Hendrick,
Superintendent (retired, Plano
Independent School District)*

“If it wasn't for Hendrick I wouldn't be attending college at all, making the friendships I have, or the life changes I have experienced. They have given me a brighter future to look forward to. I am beyond blessed by your generosity and see my life changing everyday for the better. Words cannot really describe the changes I have gone through but I know that would not be possible without your support and help. Thank you for directly affecting my life.”
April, Hendrick student

“Hendrick is more than a scholarship; they are a group of support, encouragement, and a light for those who have lost their way on the dark paths that life has brought them down. When hope for a better future seemed to have faded away, the Hendrick Foundation was there to save my dream.”

Bethany, Hendrick student
