Event Recap

The Event proved to be another successful gathering of Hendrick Academy board members, supporters, and students. David McCall was entertaining as the master of ceremonies and the crowd was inspired by the keynote speaker, Mamie McCollough. Her motivational words made us laugh and think and hope.

Several Academy students spoke at the gathering – they thanked the Board members for the opportunity provided by the Hendrick Academy and told their stories of overcoming difficulties in order to establish successful college careers.

Keynote speaker Mamie McCollough, Rutledge Haggard, and Linda Holland at the Event.

Board Member Profile –

Rutledge Haggard Chairman of the Board

“Plano has been good to us and it is our goal to put something back into the community. We try to stay involved in various community issues and develop properties that will benefit the community and that our family will be proud of.”
- Rutledge Haggard

Rutledge received the Plano Citizen of the Year Award in 1986 and has served as President of the Plano ISD School Board. He served many years as President of Hendrick Academy Board and is currently the Chairman of the Board for the Hendrick Academy of Honor. He serves on multiple boards and committees in the Plano community.

He received his Bachelor of Science degree from Texas Christian University after graduating from Plano High School. A drive through Plano reveals the positive evidence of the Haggard family in the community. – school, library, park, street, and buildings. There is no doubt that the Haggard Family has played a vital role in the development of Plano.

Rutledge Haggard has been a licensed real estate broker since 1978 and a mortgage broker. He is the father of three grown sons and is very proud of his wonderful grandchildren.
